PROJECT NAME: Alarm Services
SOLICITATION NO: ITB #B212026
RE: ADDENDUM #1

To All Prospective Bidders:

The following information is being provided to aid in preparation of your bid submittal(s):

Question #1: *What type of fire alarm and burglary systems does your buildings have?*

Response: We have both wireless and phone line systems.

Question #2: *I am working on the Alarm Services bid. Exhibit A has a list of locations. Are you wanting a quote for Fire and Burg at each location? We have the option with phone lines for monitoring and wireless which most are switching to. I will put both on the bid.*

Response: We have Fire & Burglar at all locations except, the West County Annex and the AARP Building in Crystal Beach.

Question #3: *On the line item detail are you requesting the part numbers (catalog #)? Our pricing is very easy so I am unsure what Unit Price and extended Price means? If you could please clarify these questions for me I would greatly appreciate it.*

Response: Please disregard the catalog number field. The unit price is a "per unit" area and the extended price is a result of the multiplying the number of units by the quantity requested.

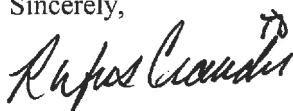

As a reminder, all questions regarding this bid must be submitted in writing to:
