**NOTICE OF PUBLIC HEARING ON TAX INCREASE**

A tax rate of \$0.550764 per \$100 valuation has been proposed by the governing body of City of La Marque.

PROPOSED TAX RATE	\$0.550764 per \$100
NO-NEW-REVENUE TAX RATE	\$0.470871 per \$100
VOTER-APPROVAL TAX RATE	\$0.477076 per \$100
DE MINIMIS RATE	\$0.636064 per \$100

The no-new-revenue tax rate is the tax rate for the 2021 tax year that will raise the same amount of property tax revenue for City of La Marque from the same properties in both the 2020 tax year and the 2021 tax year. The voter-approval rate is the highest tax rate that City of La Marque may adopt without holding an election to seek voter approval of the rate, unless the de minimis rate for City of La Marque exceeds the voter-approval rate for City of La Marque. The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate for City of La Marque, the rate that will raise \$500,000, and the current debt rate for City of La Marque.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that City of La Marque is proposing to increase property taxes for the 2021 tax year.

A public hearing on the proposed tax rate will be held on September 20, 2021 at 6:00 pm at 1109-B Bayou Road, La Marque, Texas.

The proposed tax rate is greater than the voter-approval tax rate but not greater than the de minimis rate. However, the proposed tax rate exceeds the rate that allows voters to petition for an election under Section 26.075, Tax Code. If City of La Marque adopts the proposed tax rate, the qualified voters of the City of La Marque may petition the City of La Marque to require an election to be held to determine whether to reduce the proposed tax rate. If a majority of the voters reject the proposed tax rate, the tax rate of the City of La Marque will be the voter-approval tax rate of the City of La Marque.

YOUR TAXES OWED UNDER ANY OF THE RATES MENTIONED ABOVE CAN BE CALCULATED AS FOLLOWS:

Property tax amount = (tax rate) x (taxable value of your property) / 100

FOR the proposal: Mayor Keith Bell  
Kimberley Yancy  
Casey McAuliffe

Mayor Pro-Tem Joe Compien  
Michael Carlson

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state. The following table compares the taxes imposed on the average residence homestead by City of La Marque last year to the taxes proposed to be imposed on the average residence homestead by City of La Marque this year.

	2020	2021	Change
Total tax rate (per \$100 of value)	\$0.550764	\$0.550764	increase of \$0.000000, or 0.00%
Average homestead taxable value	\$139,283	\$154,347	increase of \$15,064, or 10.82%
Tax on average homestead	\$767.12	\$850.09	increase of \$82.97, or 10.82%
Total tax levy on all properties	\$5,316,039	\$6,416,913	increase of \$1,100,874, or 20.71%

For assistance with tax calculations, please contact the tax assessor for City of La Marque at (409) 766-2260 or [galcotax@co.galveston.tx.us](mailto:galcotax@co.galveston.tx.us), or visit [www.galcotax.com/property-tax/truth-in-taxation](http://www.galcotax.com/property-tax/truth-in-taxation) for more information.
