**GENERAL PROVISIONS
MOTOR FUELS, OILS, FLUIDS AND GREASES
GALVESTON COUNTY, TEXAS**

1. BID PACKAGE

The invitation to bid, general and special provisions, drawings, specifications/line item details, contract documents and the bid sheet are all considered part of this bid package. Bids must be submitted in sets of eight (8), one (1) original and seven (7) copies on the forms provided by the County, including the bid sheet completed in its entirety and signed by an authorized representative by original signature. Failure to complete and sign the bid sheet/contract page(s) may disqualify the bid from being considered by Commissioners' Court. Any individual signing on behalf of the bidder expressly affirms that he or she is duly authorized to tender this bid and to sign the bid sheet/contract under the terms and conditions in this bid. Bidder further understands that the signing of the contract shall be of no effect unless subsequently awarded and the contract properly executed by Commissioners' Court. All figures must be written in ink or typed. Figures written in pencil or with erasures are not acceptable. However, mistakes may be crossed out, corrections inserted, and initialed in ink by the individual signing the bid. If there are discrepancies between unit prices quoted and extensions, the unit price will prevail. Each bidder is required to thoroughly review this entire bid packet to familiarize themselves with the bid procedures, the plans and specifications for the requested work as well as the terms, and conditions of the contract the successful bidder will execute with the County.

2. COMPETITIVENESS AND INTEGRITY

To prevent biased evaluations and to preserve the competitiveness and integrity of such acquisition efforts, bidders are to direct all communications regarding this bid to the Galveston County Purchasing Agent, unless otherwise specifically noted.

Do not contact the requesting department. Attempts by offering firms to circumvent this requirement will be viewed negatively and may result in rejection of the offer of the firm found to be in non-compliance.

All questions regarding this Request for Bid must be submitted in writing to:

Rufus G. Crowder, CPPB
Galveston County Purchasing Agent
722 Moody, Fifth (5th) Floor
Galveston, Texas 77550
Fax: (409) 621-7987
E-mail: rufus.crowder@co.galveston.tx.us

An authorized person from the submitting firm must sign all bids. This signature acknowledges that the bidder has read the bid documents thoroughly before submitting a bid and will fulfill the obligations in accordance to the terms, conditions, and specifications.

Please carefully review this Invitation to Bid. It provides specific information necessary to aid participating firms in formulating a thorough response.

3. TIME FOR RECEIVING BIDS

Bids received prior to the submission deadline will be maintained unopened until the specified time for opening. If the bidder fails to identify the Bid Number on the outside of the envelope as required, the Purchasing Agent will open the envelope for the sole purpose of identifying the bid number for which the submission was made. The envelope will then be resealed. No liability will attach to a County office or employee for the premature opening of a bid. If you do not submit a bid, return this Invitation to Bid and state reason, otherwise your name may be removed from our mailing list.

4. BID OPENING

The names of the bidders and the pricing will be read aloud at the bid opening. Sealed bids will be received in the office of the County Purchasing Agent and opened immediately in that office in the presence of the County Auditor and the Purchasing Agent. No bid may be withdrawn for a period of sixty (60) calendar days of the bid opening date.

**GENERAL PROVISIONS
MOTOR FUELS, OILS, FLUIDS AND GREASES
GALVESTON COUNTY, TEXAS**

5. REJECTION OF BIDS

The County, acting through its Commissioners' Court reserves the right to: (1) reject any and all bids and waive any informality in the bids received; (2) disregard the bid of any bidder determined to be non responsive to the provisions contained herein.

6. RESTRICTIVE OR AMBIGUOUS SPECIFICATIONS

It is the responsibility of the prospective bidder to review the entire invitation to bid packet and to notify the Purchasing Department if the specifications are formulated in a manner that would restrict competition or appear ambiguous. Any such protest or question(s) regarding the specifications or bid procedures must be received in the Purchasing Department not less than seventy-two (72) hours prior to the time set for bid opening. Vendors are to bid as specified herein or bid an approved equal. The mention of any brand name in the specifications is not intended to be restrictive, but is intended to describe the general features and requirements (or equivalent) that Galveston County is seeking.

7. SUBSTITUTES

It is not the County's intent to discriminate against any materials of equal merit to those specified; however, should the bidder desire to use any substitutions, prior written approval shall be obtained from the County Purchasing Agent sufficiently in advance in order that an addendum might be issued.

8. EXCEPTIONS TO BID

The bidder will list on a separate sheet of paper any exceptions to the conditions of the bid. This sheet will be labeled, "Exceptions to Bid Conditions", and will be attached to the bid. If no exceptions are stated, it will be understood that all general and specific conditions will be complied with, without exception.

9. PRICING

Bids will be either lump sum or unit prices as shown on the bid sheet. The net price will be delivered to Galveston County, including all freight or shipping charges. The County is tax exempt and no taxes should be included in your bid.

Cash discount must be shown on bid, otherwise prices will be considered net. Unless prices and all information requested are complete, bid may be disregarded and given no consideration.

In case of default by the contractor, the County of Galveston may procure the articles or services from other sources and may deduct from any monies due, or that may thereafter become due to the contractor, the difference between the price named in the contract of purchase order and the actual cost thereof to the County of Galveston. Prices paid by the County of Galveston shall be considered the prevailing market price at the time such purchase is made. Periods or performance may be extended if the facts as to the cause of delay justify such extension in the opinion of the Purchasing Agent and the Commissioners' Court.

10. PROCUREMENT CARD

The County of Galveston participates in a Procurement Card (P-Card) program that allows payments made to the vendor by credit card. This method normally results in substantially faster bill payments sometimes within three (3) to five (5) days of the actual transaction date. If your company will accept payment via credit card (Visa, MasterCard), please notate this in you bid submittal.

11. TAX EXEMPTION

Pursuant to Section 151.309 of the Texas Tax Code, Galveston County qualifies for exemption from sales, excise and use taxes imposed under the Limited Sales, Excise, and Use Tax Act, which is codified at Chapter 151 of the Texas Tax Code. In accordance with Section 151.309, a taxable item sold, leased, or rented to, or stored, used, or consumed by the County is exempt from the taxes imposed under Chapter 151. Section 151.311 of the Texas Tax Code lists its requirements for tax exemptions on taxable items incorporated into or used for the improvement of realty of an exempt entity. Section 151.3111 lists its requirements for tax exemptions on certain services. Contractor is cautioned that this

**GENERAL PROVISIONS
MOTOR FUELS, OILS, FLUIDS AND GREASES
GALVESTON COUNTY, TEXAS**

RFP provision simply highlights some statutory qualifying exemptions from the sale and use taxes imposed under Chapter 151. If Contractor believes all or a portion of its costs are exempt from taxes imposed under Chapter 151 of the Texas Tax Code, it may request a certificate of tax exemption by submitting a written request for such to the County Purchasing Agent. Additionally, information regarding eligibility for exemption from taxes imposed under Chapter 151 may be obtained through the Office of the State of Texas Comptroller of Public Accounts, whose website is <http://www.window.state.tx.us/>.

12. PASS THROUGH COST ADJUSTMENTS

Except in instances of extreme extenuating circumstances Vendor prices shall remain firm throughout the Contract period and any renewals. Examples of extreme extenuating circumstances include such situations as a nation wide rail strike, oil shortage, or oil embargos.

In extreme extenuating circumstances Vendors may be allowed to temporarily "pass through" additional costs they are forced to incur through no fault of their own. A request for a pass through cost increase will not be considered unless a Vendor's cost for his product exceeds 10% over the original cost for the product. Also, the increase in cost must be nationwide and consistent for a minimum period of sixty (60) days. If a Vendor thinks he will be asking for a pass through cost adjustment during the term of his contract the original cost of his product to him must be stated in Vendor's original bid.

A request for a pass through cost does not guarantee that one will be granted. Vendors must submit such information on each request as is required by the County Purchasing Agent. The County Purchasing Agent will review each request on a case by case basis and determine the appropriateness of each request as well as amount and duration of increase. Vendors will not be permitted any additional compensation for mark-ups or profits based on the increase in price. Rather, such additional compensation will be limited to the actual increase in original cost to the Vendor as such increase is reflected by the original cost stated in the bid. But in no event will the amount of additional compensation exceed 25% increase in

Vendor's original cost for his product as such cost is reflected in Vendor's original bid or the duration exceed a period of sixty (60) days. In addition, should, during the period of the pass through, cost return to normal or decrease to below pre pass through prices, appropriate downward adjustments will be made. No more than one pass through adjustment will be permitted per year.

13. MODIFICATION OF BIDS

A bidder may modify a bid by letter at any time prior to the submission deadline for receipt of bids. Modification requests must be received prior to the submission deadline. Modifications made before opening time must be initialed by bidder guaranteeing authenticity. Bids may not be amended or altered after the official opening with the single exception that any product literature and/or supporting data required by the actual specifications, if any, will be accepted at any time prior to the Commissioners' Court consideration of same.

14. AWARD OF BIDS

The award will be made to the bidder who is determined to be the lowest bidder demonstrating the best value and ability to fulfill the requirements of the bid. The prices proposed will be considered firm and cannot be altered after the submission deadline.

The criteria utilized for determining responsibility of bidder(s) includes, but is not limited to, the bidder's experience, skill, ability, business judgment, financial capacity, integrity, honesty, possession of the necessary facilities or equipment, previous performance, reputation, promptness, and any other factor deemed relevant by the County. The bidder shall furnish any information requested by the County in order for the County to determine whether a bidder is responsible.

In determining and evaluating the best bid, the pricing may not necessarily be controlling, but quality, equality, efficiency, utility, general terms, delivery, suitability of the service offered, and the reputation of the service in general use will also be considered with any other relevant items. The Commissioners' Court shall be the sole judge in the determination of these matters.

**GENERAL PROVISIONS
MOTOR FUELS, OILS, FLUIDS AND GREASES
GALVESTON COUNTY, TEXAS**

Each bidder, by submitting a bid, agrees that if their bid is accepted by the Commissioners' Court, such bidder will furnish all items and services upon which prices have been tendered and upon the terms and conditions in this bid and contract.

The contractor shall commence work only after the transmittal of a fully executed purchase order, or contract, and after receiving written notification to proceed from Galveston County. The contractor will perform all services indicated in the bid in compliance with this contract.

Neither department heads nor elected officials are authorized to sign any binding contracts or agreements prior to being properly placed on the Commissioners' Court agenda and approved in open court. Department heads and other elected officials are not authorized to enter into any type of agreement or contract on behalf of Galveston County. Only the Commissioners' Court, acting as a body, may enter into a contract on behalf of Galveston County. Additionally, department heads and other elected officials are not authorized to agree to any type of supplemental agreements or contracts for goods or services. Supplemental agreements are subject to review by the Galveston County Legal Department prior to being signed by the County's authorized representative.

The County of Galveston reserves the right to accept bids on individual items listed, or group items, or on the bid as a whole; to reject any and all bids; to waive any informality in the bids; and to accept the bid that appears to be in the best interest of the County.

Notice of contract award will be made within ninety (90) days of opening of bids to the lowest responsive and responsible contractor, whose bid complies with all the requirements in this Invitation to Bid unless special consideration is granted by the Commissioners' Court.

Contractor shall submit to the County, for approval, within ten (10) days from notice of contract award, all Certificates of Insurance evidencing the required coverage as described under insurance in the schedule of the Invitation to Bid, item 29, page 7, Proof of Insurance.

The contractor shall not commence work under these terms and conditions of the contract until all applicable Certificates of Insurance, Performance and Payment Bonds, and Irrevocable Letter of Credit (if required) have been approved by the County of Galveston and he/she has received notice to proceed in writing and an executed copy of the contract from the County of Galveston Purchasing Agent.

15. RESULTANT CONTRACT

The resultant contract if applicable, shall become effective upon the Commissioners' Court execution of the same. The contract documents shall consist of the contract, the general and special provisions, the drawings, bid package, any addenda issued, and any change orders issued during the work. If applicable to the attached bid, bidder must sign three (3) original contracts and return with their bid submittal.

16. CONTRACT TERM

The term of the resultant contract will begin on the date of execution by the Commissioners' Court and will terminate on the date specified in the resultant contract unless terminated earlier as herein set forth.

17. TERMINATION FOR DEFAULT

Failure of either party in the performance of any of the provisions of this contract shall constitute a breach of contract, in which case, either party may require corrective action within ten (10) days from date of receipt of written notice citing the exact nature of such breach. Failure of the party being notified to take corrective action within the prescribed ten (10) days, or failure to provide written reply of why no breach has occurred, shall constitute a Default of Contract.

**GENERAL PROVISIONS
MOTOR FUELS, OILS, FLUIDS AND GREASES
GALVESTON COUNTY, TEXAS**

All notices relating to default by Bidder of the provisions of the contract shall be issued by County by its Legal Department, and all replies shall be made in writing to the Galveston County Legal Department. Notices issued by or issued to anyone other than the Galveston County Legal Department shall be null and void and shall be considered as not having been issued or received.

Galveston County reserves the right to enforce the performance of this contract in any manner prescribed by law in the event of breach or default of this contract, and may contract with another party, with or without solicitation of bids or bids or further negotiations. At a minimum, bidder shall be required to pay any difference in service or materials, should it become necessary to contract with another source, plus reasonable administrative costs and attorney fees.

In the event of Termination for Default, Galveston County, its agents or representatives shall not be liable for loss of any profits anticipated to be made by bidder.

No waiver by either party of any event of default under this agreement shall operate as a waiver of any subsequent default under the terms of this agreement.

County reserves the right to terminate this contract immediately in the event bidder:

- Fails to meet delivery or completion schedules;
- Fails to otherwise perform in accordance with the accepted bid and the contract

18. TERMINATION FOR CONVENIENCE

County may terminate this contract upon at least thirty (30) days prior written notice for its' convenience or for any reason deemed by the County to serve the public interest. County may terminate this contract upon thirty (30) days prior written notice for any reason resulting from any governmental law, order, ordinance, regulations, or court order. In no event shall County be liable for loss of any profits anticipated to be made hereunder by bidder should this contract be terminated early.

19. FORCE MAJEURE

If by reason of Force Majeure either Party shall be rendered unable, wholly or in part, to carry out its responsibilities under this contract by any occurrence by reason of Force Majeure, then the Party unable to carry out its responsibility shall give the other Party notice and full particulars of such Force Majeure in writing within a reasonable time after the occurrence of the event, and such notice shall suspend the Party's responsibility for the continuance of the Forced Majeure claimed, but for no longer period.

Force Majeure means acts of God, floods, hurricanes, tropical storms, tornadoes, earthquakes, or other natural disasters, acts of a public enemy, acts of terrorism, sovereign conduct, riots, civil commotion, strikes or lockouts, and other causes that are not occasioned by either Party's conduct which by the exercise of due diligence the Party is unable to overcome and which substantially interferes with operations.

20. ESTIMATED QUANTITIES

Any reference to quantities shown in the Invitation to Bid are an estimate only. Since the exact quantities cannot be predetermined, the County reserves the right to adjust quantities as deemed necessary to meet its' requirements.

21. CONTRACTOR INVESTIGATION

Before submitting a bid, each contractor shall make all investigations and examinations necessary to ascertain all site conditions and requirements affecting the full performance of the contract and to verify any representations made by the County upon which the contractor will rely. If the contractor receives an award as a result of its bid submission, failure to have made such investigations and examinations will in no way relieve the contractor from its obligation to comply in every detail with all provisions and requirements of the contract, nor will a plea of ignorance of such conditions and requirements be accepted as a basis for any claim whatsoever by the contractor for additional compensation.

**GENERAL PROVISIONS
MOTOR FUELS, OILS, FLUIDS AND GREASES
GALVESTON COUNTY, TEXAS**

22. NO COMMITMENT BY COUNTY OF GALVESTON

This Invitation to Bid does not commit the County of Galveston to award any costs or pay any costs, or to award any contract, or to pay any costs associated with or incurred in the preparation of a bid to this request, or to procure or contract for services or supplies.

Kickbacks

It shall be a breach of ethics for any payment, gratuity or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor or higher tier subcontractor for any contract for Galveston County, or any person associated therewith, as an inducement for the award of a subcontract or order.

Contract Clause

The prohibition against gratuities and kickbacks prescribed above shall be conspicuously set forth in every contract and solicitation by Galveston County.

JET A – Aviation Fuel:

Successful vendor is required to furnish JET A aviation fuel to authorized Galveston County end user departments. JET A fuel shall conform to and meet the standards as specified by ASTM Standards ASTM D1655-07 - Standard Specification for Aviation Turbine Fuels.

ASTM International, formerly known as the American Society for Testing and Materials (ASTM), is a globally recognized leader in the development and delivery of international voluntary consensus standards.

This specification defines specific types of aviation turbine fuel for civil use in the operation and certification of aircraft and describes fuels found satisfactory for the operation of aircraft and engines. The specification can be used as a standard in describing the quality of aviation turbine fuels from the refinery to the aircraft.

This specification does not include all fuels satisfactory for aviation turbine engines. Certain equipment or conditions of use may permit a wider, or require a narrower, range of characteristics than is shown by this specification.

The fuels shall be sampled and tested appropriately to examine their conformance to detailed requirements as to composition, volatility, fluidity, combustion, corrosion, thermal stability, contaminants, and additives.

Jet A is a similar kerosene type of fuel, produced to an ASTM specification and normally only available in the U.S.A. It has the same flash point as Jet A-1 but a higher freeze point maximum (-40°C). It is supplied against the ASTM D1655 (Jet A) specification.

Successful vendor shall supply JET A Aviation fuel per the following instructions:

- Provide at no cost to the County, 2000 gallons of portable stainless steel storage tanks; preferably in four (4) five hundred (500) gallon storage tanks;
- Minimum delivery quantity of 500 gallons;
- Delivery within 48 hours of placement of order;
- Ability to add fuel additive Prist* high flash, anti-icing aviation fuel additive as needed.

Excerpt from <http://www.pristaerospace.com/index.html>

All turbine aircraft fuels contain some dissolved water. It cannot be extracted because it does not exist as particulate water. When an aircraft rises to flight altitude, the fuel cools and its capacity to retain dissolved water is reduced. Some of the dissolved water separates out as discrete water that can form into ice crystals or remain as a super-cooled liquid.

**SPECIAL PROVISIONS
MOTOR FUELS, OILS, FLUIDS AND GREASES
GALVESTON COUNTY, TEXAS**

When super-cooled water strikes a tubing bend or a filter, it can freeze quickly and block a fuel line or filter. If suspended ice crystals are present, they can also block a filter.

**Prist Hi-Flash anti-icing aviation fuel additive is authorized by the United States Armed Forces under Military Specification Mil-DTL-85470(B), and by the ASTM under Standard D4171 for use in civilian jet fuels as a fuel system icing inhibitor. As part of its ASTM approval process, the formulation of Prist Hi-Flash additive was reviewed and approved by turbine engine and turbine aircraft airframe manufacturers worldwide.*

Prist Hi-Flash additive is recommended for every refueling at a dosage rate of .10% minimum to .15% maximum by volume.

Prist Hi-Flash additive has limited solubility in jet fuel, but is completely soluble in water. When dissolved water separates from the fuel, some amount of Prist Hi-Flash additive quickly leaves the fuel and preferentially dissolves in the water. This depresses the water's freezing point. As the fuel gets colder, and more water particles appear, more Prist Hi-Flash additive leaves the fuel and enters the water, and your aircraft's fuel lines stay clear.

MOTOR OILS, TRANSMISSION FLUIDS, AND GREASES:

All types of oil, fluids, and greases may be ordered for Galveston County departments. The types of oils, fluids, and greases on this bid are the types that Galveston County has been using. Any reference to types of manufacturers used in the bid specifications is descriptive, not restrictive. It is used to indicate the type and quality desired. Brands other than those specified may be bid if of equal value and effectiveness. Full descriptive literature is to be included with the bid. Suitability of such items will be determined by the Purchasing Agent and the head of the using department. The decision of the Galveston County Commissioners' Court will be final.

AUDIT & BOOKEEPING:

Successful contractor shall provide the County of Galveston a line item report of quantities and expenditures on a monthly basis or at any time during the term of this contract for materials, commodities, or services rendered as requested by the Galveston County Purchasing Agent.

Successful contractor shall keep full, complete, and proper books, records, and accounts of all gross receipts, both for cash and on credit, of each separate activity. Said books, records, and accounts that may be required by any government or governmental agency, shall at all reasonable times be open to inspection by the County or its authorized representatives or agents.
