RE: ADDENDUM #1
Bid #B131009, One Ton Truck for Galveston County

To All Prospective Bidders,

The following information is being provided to aid in preparation of your bid submittal(s):

Question #1: *the specs for the One ton truck BID#131009 on page 17 under additional equipment line item 17 you ask for pre-wire 10 gauge wire, auxiliary fuel tank to be placed in bed of truck (by others) to upfitter switchbank. Is the county wanting an aux fuel tank to be delivered with the truck, or they planning to have someone install the tank after they receive the truck?*

Response: In reference to the wiring we are only asking for the truck to be pre-wired with 10 gauge wire from the upfitter switch to the bed of the truck for a fuel tank to be installed at a later date by the County.

Question #2: *Also, line item 19 just state Strobes. Are you asking for corner hidden strobes in the front and rear?*

Response: Yes, the requirements are for corner hidden strobes in the front and rear.

As a reminder, all questions regarding this proposal must be submitted in writing to:
