Any such protest or question(s) regarding the specifications or bid procedures must be received in the Purchasing Department not less than seventy-two (72) hours prior to the time set for bid opening. Vendors are to bid as specified herein or bid an approved equal. The mention of any brand name in the specifications is not intended to be restrictive, but is intended to describe the general features and requirements (or equivalent) that Galveston County is seeking.

7. SUBSTITUTES

It is not the County's intent to discriminate against any materials of equal merit to those specified; however, should the bidder desire to use any substitutions, prior written approval shall be obtained from the County Purchasing Agent sufficiently in advance in order that an addendum might be issued.

8. EXCEPTIONS TO BID

The bidder will list on a separate sheet of paper any exceptions to the conditions of the bid. This sheet will be labeled, "Exceptions to Bid Conditions", and will be attached to the bid. If no exceptions are stated, it will be understood that all general and specific conditions will be complied with, without exception.

9. PRICING

Bids will be either lump sum or unit prices as shown on the bid sheet. The net price will be delivered to Galveston County, including all freight or shipping charges. The County is tax exempt and no taxes should be included in your bid.

Cash discount must be shown on bid, otherwise prices will be considered net. Unless prices and all information requested are complete, bid may be disregarded and given no consideration.

Prices paid by the County of Galveston shall be considered the prevailing market price at the time such purchase is made. Periods of performance may be extended if the facts as to the cause of delay justify such extension in the opinion of the Purchasing Agent and the Commissioners' Court.

10. PROCUREMENT CARD

The County of Galveston participates in a Procurement Card (P-Card) program that allows payments made to the vendor by credit card. In extreme extenuating circumstances Vendors may be allowed to temporarily "pass through" additional costs they are forced to incur through no fault of their own. A request for a pass through cost increase will not be considered unless a Vendor's cost for his product exceeds 10% over the original cost for the product. Also, the increase in cost must be nationwide and consistent for a minimum period of sixty (60) days. If a Vendor thinks he will be asking for a pass through cost adjustment during the term of his contract the original cost of his product to him must be stated in Vendor's original bid.

A request for a pass through cost does not guarantee that one will be granted. Vendors must submit such information on each request as is required by the County Purchasing Agent. The County Purchasing Agent will review each request on a case by case basis and determine the appropriateness of each request as well as amount and duration of increase. Vendors will not be permitted any additional compensation for mark-ups or profits based on the increase in price. Rather, such additional compensation will be limited to the actual increase in original cost to the Vendor as such increase is reflected by the original cost stated in the bid. But in no event will the amount of additional compensation exceed 25% increase in

Vendor's original cost for his product as such cost is reflected in Vendor's original bid or the duration exceed a period of sixty (60) days. In addition, should, during the period of the pass through, cost return to normal or decrease to below pre pass through prices, appropriate downward adjustments will be made. No more than one pass through adjustment will be permitted per year.

13. MODIFICATION OF BIDS

A bidder may modify a bid by letter at any time prior to the submission deadline for receipt of bids. Modification requests must be received prior to the submission deadline. Modifications made before opening time must be initialed by bidder guaranteeing authenticity. 14. AWARD OF BIDS

MOTOR FUELS, OILS, FLUIDS AND GREASES
GALVESTON COUNTY, TEXAS**

The County of Galveston requests bids for the purpose of selecting a vendor or vendors to supply regular unleaded gasoline, unleaded plus (mid-grade) gasoline, and #2 diesel fuel low sulfur with additive and oils, fluids, and greases for use in Galveston County vehicles and equipment. Separate awards may be made for Mainland, Galveston Island, and Port Bolivar Peninsula locations, however, this bid in its entirety may be awarded to a single vendor, whatever is most advantageous to the County of Galveston. Bidders must submit examples detailing the method of calculation of excise taxes, delivery fees, etc., of pricing on invoices delivered to the County.

Delivery will be made to various locations in the County as shown on the attached bid sheets. The supplier selected shall furnish the necessary personnel, services, and facilities to provide and deliver fuels as ordered by various County departments. The fuels provided shall meet or exceed the specifications included or attached for regular unleaded, unleaded plus (mid-grade) gasoline, and #2 diesel fuel low sulfur with additive. No alcohol extenders or additives are allowed for gasoline products only.

TERM OF CONTRACT:

The term of contract shall be one (1) year from date of acceptance and approval of bid by the Galveston Commissioners' Court with an option to continue for an additional two (2), one (1) year periods if mutually agreeable.

QUANTITIES:

During the term of this contract the County expects to purchase approximately 180,000 gallons of unleaded gasoline, 50,000 gallons of unleaded plus (mid-grade) gasoline and 75,000 gallons of #2 diesel fuel low sulfur with additive. Minimum quantities are not guaranteed. Additional quantities will be required for delivery to Port Bolivar and Crystal Beach locations. The County expects to purchase approximately 15,000 gallons of gasoline and approximately 15,000 gallons of low sulfur diesel fuel with additive at Port Bolivar. Deliveries will be between 500 and 6,000 gallons per delivery.

Award for these two locations may be separate from the award from the balance of the County. Minimum quantities at these two locations are not guaranteed and the County will only pay for fuel actually ordered and delivered.

DELIVERY AUTHORIZATION:

The ordering department will furnish vendor with a valid Galveston County Purchasing Order Number at the time the order is placed. Under no circumstances will the vendor accept an order for delivery to locations other than those on the attached bid sheets unless otherwise approved by the Galveston County Purchasing Agent.

PRICES FOR LOCATIONS OTHER THAN PORT BOLIVAR AND CRYSTAL BEACH:

Bidders are required to bid a price differential above or below the average PAD 3 report for Houston, Texas; published by the Oil Price Information Service (OPIS). The bidder shall use the average price for regular, unleaded gasoline, unleaded plus (mid-grade) gasoline and #2 diesel fuel low sulfur with additive from the first listing of each calendar week. Adding or subtracting the bidder's price differential to the PAD 3 average BTM rack average price should establish a fixed price to be in effect from Wednesday to the following Tuesday of each week.

The successful bidder shall submit weekly a letter and/or Oil Price Information Service (OPIS) information to be received prior to Wednesday of each week that includes PAD 3 prices as stated above. This information should be directed to the Purchasing Agent.

PRICES FOR PORT BOLIVAR AND CRYSTAL BEACH:

Bidders are required to bid a price differential above or below the rack price per gallon on date or order for regular unleaded gasoline, (mid-grade) gasoline, or #2 diesel fuel low sulfur with additive. Successful bidder will show rack price on all invoices for fuel delivered to the County.

DELIVERIES:

Deliveries of fuels, oils, fluids, and greases ordered shall be completed between the hours of 7:30 A.M. and 4:00 P.M., Monday through Friday for all sites. Orders placed before noon shall be delivered no later than 4:00 P.M. the following work day. Trucks making deliveries shall be equipped with proper ticket printers, meters, or State of Texas certified truck markings to assure accurate measure. All delivery trucks must be equipped with a Vapor Recovery System and must be available for emergency deliveries.

Due to the difficulty in the delivery of these commodities to the Port Bolivar Peninsula, the County will entertain options detailing alternate delivery methods and pricing structure. These options shall be listed on a separate sheet of paper and included with your bid submittal.

If vendor is unable to comply with these requirements, the County reserves the right to purchase these commodities in the open market with all costs in excess of established price charged to the account of the vendor. Deliveries to sites other than those shown on the bid sheet are not allowed without authorization from the Purchasing Agent.

SUBCONTRACTING:

No part of this bid shall be subcontracted to another party for furnishing fuels without the written approval of the Galveston County Commissioners' Court.

INSURANCE:

During the term of this contract the vendor shall carry and pay the premiums for insurance of the types and limits as referenced in the general provisions, page 7, item #30, Proof of Insurance. No Purchase Order shall be issued without proof of coverage.

In addition, Automobile Liability Insurance is required covering all owned, hired, and non-owned automobiles used in this work, not less than \$500,000.00 per person and \$1,000,000.00 per occurrence for Bodily Injury; not less than \$100,000.00 for Property Damage.

QUALITY ASSURANCE:

The County of Galveston shall have the right upon each delivery of gasoline or at any time to determine compliance with such standards by performing tests in accordance with the methods prescribed by the American Society for Testing Materials ("ASTM"). If the vendor questions or disputes the results of tests made by the County, the County shall have the right to appoint a chemist to make such tests as it may deem necessary.

The expense of such tests shall be paid by the vendor if it is determined that any fuel failed to satisfy the quality standards set forth herein; and the County if it is determined that any gasoline tested satisfied such quality standards. The vendor agrees to replace any fuels not meeting the County's specifications at no cost to the County. The vendor further agrees to repair and make whole all engine damage resulting from the placement of such fuels in County vehicles.

TAXES:

Galveston County does not pay federal tax on gasoline. Vendor shall furnish any exemption certificates needed for Government records.

SPECIFICATION:

All unleaded fuels shall be produced in accordance with the "ASTM" Standard #D 439 including latest revision, as is applicable to the Galveston County Region. Regular unleaded gasoline shall have a minimum octane rating of 87 based on a formula where the research octane number (RON) and the motor octane number (MON) are added, then divided by 2. Unleaded plus (mid-grade) gasoline shall have a minimum octane rating of 89 using R+M divided by 2. Diesel fuel shall conform to the attached specifications for #2 diesel low sulfur with additive.

**SPECIAL PROVISIONS
MOTOR FUELS, OILS, FLUIDS AND GREASES
GALVESTON COUNTY, TEXAS**

Since much of the fuel covered by this bid will be used by Law Enforcement and Emergency vehicles, the vendor must guarantee to honor all orders placed by the County within the scope of this bid.

DIESEL FUEL PROPERTIES:

Supplied diesel fuel must be a fuel oil suitable for use in diesel internal combustion engines, in trucks, tractors, dozers, cranes, graders, shovels, and similar equipment. The diesel fuel must be a completely distilled mineral oil meeting the requirements as listed herein. The diesel fuel must be low sulfur with additive.

The diesel fuel shall conform to the requirements specified herein when tested in accordance with ASTM-975. The physical properties are as stated on attachment "A".

Vendors responding to this solicitation shall perform their own in-depth research prior to submitting bids for the requested items. Galveston County assumes no responsibility for the documentation submitted and is found in error.

JET A – Aviation Fuel:

Successful vendor is required to furnish JET A aviation fuel to authorized Galveston County end user departments. JET A fuel shall conform to and meet the standards as specified by ASTM Standards ASTM D1655-07 - Standard Specification for Aviation Turbine Fuels.

ASTM International, formerly known as the American Society for Testing and Materials (ASTM), is a globally recognized leader in the development and delivery of international voluntary consensus standards.

This specification defines specific types of aviation turbine fuel for civil use in the operation and certification of aircraft and describes fuels found satisfactory for the operation of aircraft and engines. The specification can be used as a standard in describing the quality of aviation turbine fuels from the refinery to the aircraft.

This specification does not include all fuels satisfactory for aviation turbine engines. Certain equipment or conditions of use may permit a wider, or require a narrower, range of characteristics than is shown by this specification.

The fuels shall be sampled and tested appropriately to examine their conformance to detailed requirements as to composition, volatility, fluidity, combustion, corrosion, thermal stability, contaminants, and additives.

Jet A is a similar kerosene type of fuel, produced to an ASTM specification and normally only available in the U.S.A. It has the same flash point as Jet A-1 but a higher freeze point maximum (-40°C). It is supplied against the ASTM D1655 (Jet A) specification.

Successful vendor shall supply JET A Aviation fuel per the following instructions:

- Provide at no cost to the County, 2000 gallons of portable stainless steel storage tanks; preferably in four (4) five hundred (500) gallon storage tanks;
- Minimum delivery quantity of 500 gallons;
- Delivery within 48 hours of placement of order;
- Ability to add fuel additive Prist* high flash, anti-icing aviation fuel additive as needed.

Excerpt from <http://www.pristaerospace.com/index.html>

All turbine aircraft fuels contain some dissolved water. It cannot be extracted because it does not exist as particulate water. When an aircraft rises to flight altitude, the fuel cools and its capacity to retain dissolved water is reduced. Some of the dissolved water separates out as discrete water that can form into ice crystals or remain as a super-cooled liquid.

**SPECIAL PROVISIONS
MOTOR FUELS, OILS, FLUIDS AND GREASES
GALVESTON COUNTY, TEXAS**

When super-cooled water strikes a tubing bend or a filter, it can freeze quickly and block a fuel line or filter. If suspended ice crystals are present, they can also block a filter.

**Prist Hi-Flash anti-icing aviation fuel additive is authorized by the United States Armed Forces under Military Specification Mil-DTL-85470(B), and by the ASTM under Standard D4171 for use in civilian jet fuels as a fuel system icing inhibitor. As part of its ASTM approval process, the formulation of Prist Hi-Flash additive was reviewed and approved by turbine engine and turbine aircraft airframe manufacturers worldwide.*

Prist Hi-Flash additive is recommended for every refueling at a dosage rate of .10% minimum to .15% maximum by volume.

Prist Hi-Flash additive has limited solubility in jet fuel, but is completely soluble in water. When dissolved water separates from the fuel, some amount of Prist Hi-Flash additive quickly leaves the fuel and preferentially dissolves in the water. This depresses the water's freezing point. As the fuel gets colder, and more water particles appear, more Prist Hi-Flash additive leaves the fuel and enters the water, and your aircraft's fuel lines stay clear.

MOTOR OILS, TRANSSION FLUIDS, AND GREASES:

All types of oil, fluids, and greases may be ordered for Galveston County departments. The types of oils, fluids, and greases on this bid are the types that Galveston County has been using. Any reference to types of manufacturers used in the bid specifications is descriptive, not restrictive. It is used to indicate the type and quality desired. Brands other than these specified may be bid if of equal value and effectiveness. Full descriptive literature is to be included with the bid. Suitability of such items will be determined by the Purchasing Agent and the head of the using department. The decision of the Galveston County Commissioners' Court will be final.

AUDIT & BOOKEEPING:

Successful contractor shall provide the County of Galveston a line item report of quantities and expenditures on a monthly basis or at any time during the term of this contract for materials, commodities, or services rendered as requested by the Galveston County Purchasing Agent.

Successful contractor shall keep full, complete, and proper books, records, and accounts of all gross receipts, both for cash and on credit, of each separate activity. Said books, records, and accounts that may be required by any government or governmental agency, shall at all reasonable times be open to inspection by the County or its authorized representatives or agents.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS a percentage of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules for partnerships* on page 1.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name/disregarded entity name" line.

Partnership, C Corporation, or S Corporation. Enter the entity's name on the "Name" line and any business, trade, or "doing business as (DBA) name" on the "Business name/disregarded entity name" line.

Disregarded entity. Enter the owner's name on the "Name" line. The name of the entity entered on the "Name" line should never be a disregarded entity. The name on the "Name" line must be the name shown on the income tax return on which the income will be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a domestic owner, the domestic owner's name is required to be provided on the "Name" line. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on the "Business name/disregarded entity name" line. If the owner of the disregarded entity is a foreign person, you must complete an appropriate Form W-8.

Note. Check the appropriate box for the federal tax classification of the person whose name is entered on the "Name" line (Individual/sole proprietor, Partnership, C Corporation, S Corporation, Trust/estate).

Limited Liability Company (LLC). If the person identified on the "Name" line is an LLC, check the "Limited liability company" box only and enter the appropriate code for the tax classification in the space provided. If you are an LLC that is treated as a partnership for federal tax purposes, enter "P" for partnership. If you are an LLC that has filed a Form 8832 or a Form 2553 to be taxed as a corporation, enter "C" for C corporation or "S" for S corporation. If you are an LLC that is disregarded as an entity separate from its owner under Regulation section 301.7701-3 (except for employment and excise tax), do not check the LLC box unless the owner of the LLC (required to be identified on the "Name" line) is another LLC that is not disregarded for federal tax purposes. If the LLC is disregarded as an entity separate from its owner, enter the appropriate tax classification of the owner identified on the "Name" line.

Other entities. Enter your business name as shown on required federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name/disregarded entity name" line.

Exempt Payee

If you are exempt from backup withholding, enter your name as described above and check the appropriate box for your status, then check the "Exempt payee" box in the line following the "Business name/disregarded entity name," sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

The following payees are exempt from backup withholding:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),
 2. The United States or any of its agencies or instrumentalities,
 3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,
 4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or
 5. An international organization or any of its agencies or instrumentalities.
- Other payees that may be exempt from backup withholding include:
6. A corporation,
 7. A foreign central bank of issue,
 8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,
 9. A futures commission merchant registered with the Commodity Futures Trading Commission,
 10. A real estate investment trust,
 11. An entity registered at all times during the tax year under the Investment Company Act of 1940,
 12. A common trust fund operated by a bank under section 584(a),
 13. A financial institution,
 14. A middleman known in the investment community as a nominee or custodian, or
 15. A trust exempt from tax under section 664 or described in section 4947.

The following chart shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt payees except for 9
Broker transactions	Exempt payees 1 through 5 and 7 through 13. Also, C corporations.
Barter exchange transactions and patronage dividends	Exempt payees 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt payees 1 through 7 ²

¹ See Form 1099-MISC, Miscellaneous Income, and its instructions.

² However, the following payments made to a corporation and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, gross proceeds paid to an attorney, and payments for services paid by a federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, below, and items 4 and 5 on page 4 indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on the "Name" line must sign. Exempt payees, see *Exempt Payee* on page 3.

Signature requirements. Complete the certification as indicated in items 1 through 3, below, and items 4 and 5 on page 4.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.ftc.gov/idtheft or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.

The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information.
