SECTION 00104 PROPOSAL EVALUATION WAIVER AND QUALIFICATION STATEMENT

By submitting a proposal, the Proposer indicated below agrees to waive any claim it has or may have against the Owner, Architect, Engineers, Consultants, or Construction Manager and their respective employees, arising out of or in connection with the administration, evaluation, or recommendation of any proposal. The Proposer further agrees the Owner reserves the right to waive any requirements under the proposal documents or the Contract Documents, acceptance or rejection of any proposals, and recommendation or award of the contract.

In order to evaluate proposals the following items **must** be turned in along with the proposal form to allow Galveston County to determine the best overall proposal.

The information below shall be provided on the Proposer's letterhead. Failure to provide the information may result in no points awarded for that item in the evaluation process. Each item below will be researched for each Trade Contractor and assigned a relative value more fully described on the Proposal Tabulation Form attached for information only in Section 00300.

- a) References from **all or the most recent 20** previous contracts comparable to this contract size and scope during the last five years. (including complete Owner name, individual Owner contact, current phone numbers, project size, etc.). This item accounts for **5%** of the evaluation scoring.
- b) References from **all or the most recent 20** previous contracts with Galveston County and other political subdivisions located within Galveston County. (include Entity name, individual Entity contact, current phone numbers, project size, etc.). This item accounts for **5%** of the evaluation scoring.
- c) Single page resume of superintendent, Project Manager, and Project Executive for this project. The quality of personnel accounts for **5%** of the evaluation scoring.
- d) Listing of proposed subcontractors, suppliers, and other team members. The quality of subcontractors, suppliers, and other team members (if none then the quality of personnel above will be duplicated here) accounts for **5%** of the evaluation scoring.
- e) Based upon references listed above the probability of satisfactory post construction maintenance, repair, and service for emergency warranty work. The probability of satisfactory response to warranty work accounts for **5%** of the evaluation scoring.
- f) Based upon references listed above the probability of satisfactory timely completion of the work. The probability of satisfactory timely completion of the work accounts for **5%** of the evaluation scoring.
- g) The Proposer's safety record including the current EMR (experience modifier rate). The EMR relative to 1 accounts for **5%** of the evaluation scoring.
