PURCHASING AGENT

COUNTY COURTHOUSE
722 Moody (21st Street)
Fifth (5th) Floor
GALVESTON, TEXAS 77550
(409) 770-5371

DATE: October 28, 2021
RE: Addendum #3
PROJECT NAME: La Marque Various Roads
SOLICITATION NO: ITB #B211048

To All Prospective Bidders:

The following information is being provided to aid in preparation of your bid submittal(s)

Attachment: Revised Bid Proposal marked Addendum 3

Question #1: *Regarding the fabric under seal, on lines 10, 47, 57, and 66 of the bid proposal, please explain why the unit to be bid is "each" and not "square yard?" What area is the amount of each? If the under seal is used, it will limit the future milling of asphalt. Is this a concern for the County of the City?*

Response: Revised Bid Proposal to reflect the correct quantity in square yards.

Question #2: *Bid items 12 and 16 call for 6" concrete curbs. Does either item have gutters that are to be included?*

Response: Quantity for Bid Item 12 has been updated in the Bid Proposal
Bid Item 16 has been omitted

Question #3: *Bid Item 31 "Concrete Pavestones," does this bid item include the 7" reinforced concrete slab below the pavers?*

Response: No, Bid Item 22 (7" concrete pavement) is the concrete slab below the pavers.
Bid Item 31 just includes the concrete pavestones.

Question #4: *Bid Item 22 is 7" concrete pavement. Bid item 25 reinforced concrete pavement. Please specify any differences. Please specify where each item is to be used.*

Response: Bid Item 22 is correct. This is the reinforced concrete slab below the pavers on First Street. Bid Item 25 has been omitted.

Question #5: *Bid item 10) fabric under seal calls for 266 quantity Please clarify quantity*

Response: Please see response for question #1

Question #6: *Line 23) Subgrade Repairs:*

- *Where are the specifications or drawings showing what work is to be performed?*
- *What is the scope of work?*
- *Is the existing base to be removed and replaced?*
- *Is the subgrade to be stabilized or excavated and replaced?*

Response: The quantity on line 23 "subgrade repairs" include Goliad Ave., Getty Rd, Palm St., Vauthier St., Lawndale St., Demolay St., and Kansas St. The detail for this is on sheet 124 of the plan set. Refer to detail 02902.

Question #7: *Line 24) Subgrade Repair with Black Base:*

- *Is the base to be removed and replaced?*
- *Is the subgrade to be excavated and hauled off to allow for installing 8" black base?*

Response: The subgrade repair with black base is only to be used on Bayou Road. The detail for this is on sheet 123 of the plan set. Refer to detail 02951-03 Note 2. Also see section "ADDITIONAL REQUIREMENTS FOR ASPHALT OVERLAY ON CONCRETE PAVEMENT" on same detail.

Question #8: *When is the County looking to begin the project*

Response: It is projected to begin late January or February

If you have any further questions regarding this bid, please address them to the following:
