RE: ADDENDUM #1

To All Prospective Proposers:

The following information is being provided to aid in preparation of your bid submittal(s)

Question #1: *Submittal instruction indicate one (1) unbound original response and eight (8) copies. Does the term "unbound" mean you do not want the nine (9) responses contained in any way, not even with 3-ring binders? If this is the case, can we be allowed to use large clips to hold each response together? Any clarification you can provide would be appreciated.*

Response: A large paper clip would be acceptable for the one (1) unbound original. The eight (8) copies can be placed in 3-ring binders. Please make certain that the pages are numbered in the event that the clip is separated during transport.
