Notice of Public Hearing on Tax Rate

The Bacliff Municipal Utility District will hold a public hearing on a proposed tax rate for the tax year 2022 on September 12, 2022 at 6:00 pm at 4302 12th Street, Bacliff, Texas 77518. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the tax rate that is adopted and on the change in the taxable value of your property in relation to the change in taxable value of all other property. The change in the taxable value of your property in relation to the change in the taxable value of all other property determines the distribution of the tax burden among all property owners.

NOTICE OF TAXPAYER’S RIGHT TO ELECTION TO REDUCE THE TAX RATE

If the district adopts a combined debt service, operation and maintenance and contract tax rate that would result in the taxes on the average residence homestead increasing by more than eight percent, an election must be held to determine whether to approve the operation and maintenance tax rate under Section 49.23601, Water Code.

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.
