PROJECT NAME: Bayshore Park Boat Ramp

SOLICITATION NO: ITB #B221022

RE: ADDENDUM #1

To All Prospective Proposers

The following information is being provided to aid in the preparation of your bid submittal(s):

QUESTIONS:

Question #1: *May I get a plan holders list, a list of the attendees to the site visit that took place on 9/14/22,*

Response: Attached you will find the requested information.

Question #2: *Can you confirm the Bid date and Time for project?*

Response: The bid opening for ITB #B221022, Bayshore Park Boat Ramp is Friday, September 30, 2022 at 2:00 p.m.

Question #3: *An estimated value or budget for this project.*

Response: The estimated value of construction is \$100,000 to \$200,000.

Question 43: *Is there an anticipated start date and anticipated completion date for the work to be done?*

Response: Contract period item 33 of the Special Provisions for Construction is 365 days after notice to proceed. However, per Contract award it is 65 days. Under normal circumstances, 65 days should be adequate however, given the materials shortage issues, I would recommend the duration be increased to at least 90 days.
