Cheryl—

I have not been able to put my hands on these documents. I believe these documents were part of our flood loss during Harvey. I apologize for the inconvenience.

**Subject:** Effective and Rollback Tax Rate Worksheets  
**Importance:** High

Good afternoon/morning.

I have been preparing the 2015-2019 tax rate worksheets referenced above for the governmental entities that I assess and/or collect. Due to the fact that DISD calculated its own tax rates prior to 2018, please provide 2015 through 2017 ETR worksheets at your earliest convenience but no later than August 26, 2019 per SB 2. It would be very convenient if they were all together in one pdf and I will add 2018 and 2019.

All worksheets will be posted at [www.galcotax.com](http://www.galcotax.com) under the Property Tax and Important Information/Entity Partners tab. Your 2019 certified values are also posted there. In order to be "ahead of the game" for 2020, I have also included the public hearing notices for partner governments as the notice is generated.

If you have questions, please let me know.
