PROJECT NAME: Electrical Services for Galveston County

SOLICITATION NO: ITB #B232013

RE: ADDENDUM #1

To All Prospective Bidders:

The following information is being provided to aid in the preparation of your ITB submittal(s):

Question #1: *Can you provide the size of the Bucket Truck requested? Can you provide the size of Trencher that is required? Will a JLG Manlift be acceptable instead of a Bucket Truck?*

Response: The trencher size should be up to the company as it will vary with work and a manlift will work in place of a bucket truck. Thinking 40-foot reach...

Question #2: *Is this Contract Federally Funded?*

Response: No.

Question #3: *Is a Bid Bond required for this contract?*

- *If so, what Dollar Value shall the Bid bond be covered for? The bid Form is not set up to calculate a determined amount of Units "Hours" per year in order to create a Yearly Contract Value.*
- *Payment and Performance Bonds are clearly excluded on Page 1 of the COG Contract Document.*

Response: Bid Bonds and Payment and Performance Bonds are not required with this solicitation.

Question #4: *Can we get the average spend under this contract over the last 3-5 years? If easily obtained, can we also get the spend broken down by labor and materials? This information will allow us to determine the approximate structure and staff required to support this account and to accurately respond to the bid.*

Respond: Not at this time.

Question #5: *Can we get a list of all the Galveston County facilities/locations that are a part of this bid?*

Response: Attached you will find the requested list of all the Galveston County facilities/locations.
