To All Prospective Qualifiers:

The following information is being provided to aid in the preparation of your RFQ submittal(s):

Questions:

Question #1: *What is the estimated construction cost for this project?*

Response: The cost of the project is unknown which is why Galveston County is seeking a design/architectural firm to assist in developing the scope and cost estimates to ultimately go out to bid for construction.

Response: This is a Request for Qualifications and fees will be negotiated between Galveston County and the successful qualified firm.

Question #3: *Page 97 of the bid packet states "the combined number of pages between corporate profile and project approach (Tabs 2 and 3) shall not exceed fifteen (15)," but page 100 states that Tabs 2 and 3 are "Qualifications of key personnel..." and "listing of experience...: There is no other reference to a project approach. Please confirm the required evaluation criteria, tabs, and any page limitations for this SOQ.*

Response: No. We do not notice this issue within our document. Please contact Tammy Dickey @ (409) 770-5373 for instructions if you have this problem.
