## **Retirement Eligibility**

This section will help you determine whether you will qualify to retire

here are two different ways in which you can retire with Galveston County. You may qualify to retire based on your years of service and age or you may meet certain requirements to qualify for retirement based on a disability. Both options have their own set of requirements and guidelines.

#### **Service Retirement:**

Once you are vested (8 years of service) with the County, you are eligible for a monthly retirement benefit through TCDRS when you meet one of the following requirements:

- Age 60 with 8 years of service; or
- Any age with 30 years of service; or
- Age plus your years of service equals 75 (also called the Rule of 75 or Points).

#### **Disability Retirement:**

You may be able to medically retire through TCDRS based on a qualifying medical or psychological disability.

- 4 year vesting period if your disability was work related
- 8 year vesting period if your disability is non-work related

#### Important Note

Service time with sister systems of TCDRS or service with another Texas county can count towards your vesting period with Galveston County. Other Texas public retirement system accounts are:

Employees Retirement System of Texas (ERS), Texas Municipal Retirement System (TMRS), City of Austin Employees Retirement System (COAERS), Teacher Retirement System of Texas (TRS) and Judicial Retirement System of Texas (JRS).

#### **TCDRS Pension**

This section will explain the key components of your pension plan

he main source of your retirement income as a retiree from Galveston County will be from the Texas County & District Retirement System (TCDRS). Although it is not the only retirement plan you have, it is the main one.

#### **Deposits & Vesting:**

Throughout your employment with Galveston County, you have been depositing 7% of your gross earnings into your TCDRS account on a pre-tax basis. You also earn 7% interest annually on your account balance. Once you are vested and meet retirement eligibility, the County will match your account balance (principal plus interest) at 200%.

#### **Payments from TCDRS:**

Your account balance, interest earned and the County match will be used by TCDRS to calculate your monthly pension payment.

Once you retire you will receive a monthly payment from TCDRS for the rest of your life. Your payment will be direct deposited into an account of your choosing on the last day of each month.

#### **Beneficiaries:**

At the time of your retirement, you will have the opportunity to select various options regarding continued payments to your selected beneficiary. Your beneficiary(ies) will continue (depending on the option selected) to receive a monthly payment for the remainder of their life should you pass away first.

#### **Important Notes**

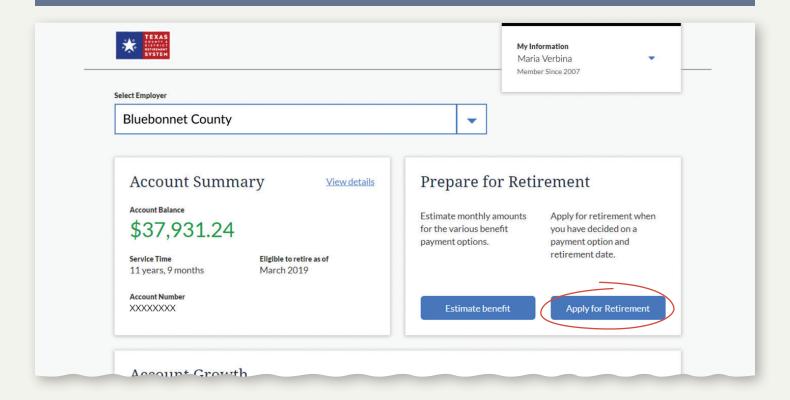

- Apply for your TCDRS retirement online at www.TCDRS.org and click "Sign In" to access your account.
- Update your mailing address, email and phone number online when you sign into your account.
- You will receive a 1099 form for income tax purposes at the end of the year

#### **AUL Alternate Plan**

This section will explain the Social Security opt out plan

erhaps one of the most unique aspects about employment with Galveston County is the fact that in 1980 the County opted out of Social Security. This means that no employee of Galveston County pays Social Security taxes.

#### **The Alternate Plan**

Although the County opted out of participation in Social Security, employees *must* still pay into a private plan that is similar to Social Security. The chosen plan is referred to as the Alternate Plan through American United Life (AUL).

- Employees contribute 6.13% of their gross salary on a pre-tax basis into an individual and private account.
- Galveston County contributes an additional 3.607% to your account.
- You may choose to invest your deposits in an array of different options. Please contact Human Resources to discuss your options.

#### **Available Options**

Unlike TCDRS where you must take a lifetime monthly payment, with AUL you have many more options on what to do with your money. You can:

- 1. Withdrawal your entire account balance; or
- 2. Leave your account as is and withdrawal amounts as needed over time; or
- 3. Rollover your account into an IRA; or
- 4. Annuitize your account to receive a monthly payment.

#### **Important Note**

Anytime you withdrawal money it is subject to 20% IRS withholding.

#### Information for Plan Participant

#### Trust Information

If your Beneficiary is a trust, there shall be no obligation to inquire into the terms of the trust, and payment of the proceeds as provided in the designation will be a full discharge from all liability. If, before payment of the proceeds is made, satisfactory proof is presented that the trust has been revoked or is not in effect at your death, the proceeds shall be paid to the next class of Beneficiary or to your estate if there is no such Beneficiary. If the trust has been created by a will but fails to come into existence for any reason, the proceeds shall be paid to the next class of Beneficiary or to your estate if there is no such Beneficiary.

#### **Community Property Information**

(Only applicable to plans not subject to the Employee Retirement Income Security Act (ERISA) of 1974 and in the states of Arizona, California, Idaho, Louisiana, Nevada, New Mexico, Puerto Rico, Texas, Washington and Wisconsin. This is also applicable in Alaska if you and your spouse agree to make it community property through a community property agreement or a community property trust.)

If there has been no previous written notice of community property interest and the space for the consent of your spouse is not completed, then anyone acting on the information contained herein shall be entitled to rely on his/her good faith belief that no such interest exists.

This good faith reliance shall apply to any payment to a named Beneficiary even though:

- 1. You have not obtained the consent of a former spouse having a community interest; or,
- 2. You and your spouse subsequently divorce; or,
- 3. Your spouse dies after the date of execution of this designation; or,
- 4. You and your spouse subsequently sever your interest in the community.

#### Qualified Pre-Retirement Survivor Annuity (QPSA) Information

This form assumes that your plan provides for a QPSA of 100% of your vested account balance at death. Plan documents may differ in their provisions concerning such items as revocability of spousal consent, the minimum percentage for a QPSA, and other significant matters. Contact your plan representative if you have questions about your plan document or provisions specific to your plan.

Many plan documents provide that if you do not waive the QPSA benefit then your spouse has the option to choose the QPSA or another form of available distribution under the plan. Contact your plan representative if you have questions about your plan document or provisions specific to your plan.

Your plan provides that a Qualified Pre-Retirement Survivor Annuity (QPSA) be paid to your spouse in the event that your death occurs before the benefit under the plan becomes payable. A portion of the value of your vested account balance at death (between 50% and 100%, according to your plan) is used to provide a monthly payment to your spouse for life. This form of benefit is a "life annuity."

You may elect a form of distribution other than a QPSA if your plan allows. In order for such an election to be effective, it must be in writing and must include the consent of your spouse, witnessed by a plan representative or a Notary Public.

The plan may provide that any such election may be revoked at any time, thereby reinstating the QPSA. You may choose to decline the automatic QPSA, but only under certain circumstances, as described below. The period during which you may elect to decline the automatic QPSA starts on the latest of:

- 1. The first day of the plan year in which you attain age 35, or
- 2. The date on which you first become a participant, or
- 3. The date on which you are married.

## **Life Insurance Policy**

This section will explain the portability of your County life insurance policy

here are many things to account for during retirement. One of the most important things one can do for the care for a loved one after death is to have life insurance. Galveston County offers a life insurance policy, free of charge, to all benefit-eligible employees and retirees.

#### Service Retirement:

Should you retire based on service, your county life insurance policy will convert to a \$50,000 paid-up, guaranteed retired life reserve (RLR) policy that will remain with you for the rest of your life. You will receive a copy of the certificate of issuance upon retirement that lists the value of the policy and any beneficiaries you have listed. You may change your beneficiary at any time. There is no cash value to the retiree, only to the beneficiary.

#### **Disability Retirement:**

Should your retirement be based on a qualifying disability, the current value of your life insurance policy will transport into retirement. The policy will not convert to \$50,000 as it does with a service retirement.

#### **Important Note**

The county life insurance policy is a standard benefit offered to all benefiteligible employees with a minimum of 8 years of service to Galveston County and eligible for a TCDRS retirement. The policy is subject to change at the discretion of Commissioner's Court. The current policy value for employees is:

Full-Time = \$50,000 Half-Time = \$25,000

#### **Beneficiary Information**

- Your designation revokes all prior designations.
- Benefits are only payable to a contingent Beneficiary if you are not survived by one or more primary Beneficiary(ies).
- If you name two or more Beneficiaries in a class:
  - 1. Two or more surviving Beneficiaries will share equally, unless you provide for unequal shares.
  - 2. If you provide for unequal shares in a class, and two or more Beneficiaries in that class survive, we will pay each surviving Beneficiary his or her designated share. Unless you provide otherwise, we will then pay the share(s) otherwise due to any deceased Beneficiary(ies) to the surviving Beneficiaries pro rata based on the relationship that the designated percentage or fractional share of each surviving Beneficiary bears to the total shares of all surviving Beneficiaries.
  - 3. If only one Beneficiary in a class survives, we will pay the total death benefits to that Beneficiary.
- If a minor (a person not of legal age), or your estate, is the Beneficiary, it may be necessary to have a guardian or a legal representative appointed by the court before any death benefit can be paid. If the Beneficiary is a trust or trustee, the written trust must be identified in the Beneficiary designation. For example, "Dorothy Q. Smith, Trustee under the trust agreement dated\_\_\_\_\_."
- A power of attorney must grant specific authority, by the terms of the document or applicable law, to make or change a Beneficiary designation. If you have any questions, consult your legal advisor.
- Dependents Insurance, if any, is payable to you, if living, or as provided under your Employer's coverage under the Group Policy.

## **Medical Coverage**

This section will explain your medical coverage throughout retirement

he need for medical insurance is perhaps more important during retirement than it is during any period of your life. As you age, your health will be a top concern for you. As a retiree from Galveston County you will have the option to carry your medical coverage with you into retirement.

#### Retirement before age 65:

Should you retire before the age of 65 you will be allowed to retire with your current level of coverage. You cannot add any products or change coverage at the time of retirement, you can only decrease coverage and once you decrease coverage, you can never increase it in the future. You will continue to pay your current premiums.

#### Medicare at age 65:

As a retiree of Galveston County, you must have Medicare Parts A & B in place to continue coverage once you turn 65 years of age. You will then be eligible for the Aetna Medicare PPO Plan that the County offers Medicare Eligible retirees.

#### **Payment of Premiums:**

At the time that you retire, you will provide Human Resources with the bank account information you wish to pay your monthly premiums with. The Galveston County Treasurer's office has anywhere from between the 1<sup>st</sup> and the 10<sup>th</sup> of each month to draft your premium payment.

## **Final Check & Payouts**

This section will explain what to expect with your final paycheck from the County

our final paycheck from the County will be direct deposited into your bank account as it normally is as long as you have no outstanding County property in your possession. Your final check will include wages owed for the final pay period in which you worked along with any payouts that you may be entitled to.

#### **Final Check:**

Your final check will include any time worked in the pay period immediately preceding your retirement date. Retirements are always effective the last day of the month in which you retire. Your final check will also include any payouts for unused sick and vacation leave you may be entitled to. Limits on payouts are outlined below. In order to avoid potentially high taxes on your payouts, you may elect to rollover the payout amount into a voluntary retirement account. See HR for the required rollover form.

#### **Payout of Unused Vacation leave:**

Employees hired prior to October 1, 2011 are paid accumulated vacation leave up to the maximum permitted amount upon retirement from County.

Employees hired on or after October 1, 2011 are paid a maximum accumulated vacation leave up to 120 hours of accumulated leave upon retirement from the County.

#### **Payout of Unused Sick Leave:**

Active employees eligible for regular service retirement or disability retirement who were hired before October 1, 2011 and retire under that system of TCDRS or AUL are paid one-half awarded unused sick leave upon retirement from the County.

Active employees who were hired on or after October 1, 2011, who are eligible for regular service retirement or disability retirement and retire under that system of TCDRS or AUL are not paid for unused sick leave upon retirement from the County.
