October 12, 2023

PROJECT NAME: Demolition & Remediation for Mental Health Crisis Center
SOLICITATION NO: RFP #B231034
RE: ADDENDUM #2

To All Prospective Proposers:

The following information is being provided to aid in the preparation of your RFP submittal(s):

Question #1: *The RFP says to leave roof mounted mechanical equipment. Drawing MD-102 says to remove equipment. Please clarify the correct scope.*

Response: Roof mounted mechanical equipment is to remain.

Question #2: *The county representatives said we could schedule another walk through of the building after we received the drawings? How do we schedule this?*

Response: A second project site visit has been scheduled for Wednesday, October 18, 2023 @ 9:00 a.m.

Question #3: *Will you be requiring independent air testing from a separate entity that performed the removal after the project is over or will the company that performed the initial test be handling that?*

Response: Air monitoring will be performed by an independent party directly contracted with the County.

Question #4: *Is there anyway we can get higher resolution copies of the prints these are eligible when zoomed in on any amount.*

Response: Please see attached updated drawings to include Issue for Construction revisions and improved legibility.

Question #5: *Do we need to have a licensed electrician and plumber and HVAC person to do the removal of electric lines and water lines and the AC and heating units.*

Response: Because of the nature of the demo, it is recommended that licensed individuals in specific trades be required.

Question #6: *Are all the rooms in the building going to be removed, if so, will the roof collapse when all the load bearing walls are removed.*

Response: The intent is to remove all interior walls of the facility, exterior walls are to remain, including steel studs. Roof is supported by structural steel system (Columns & Beams). The only interior CMU is around mechanical rooms. Those walls will be assessed closer after adjacent finishes are removed. Contact Owner prior to demolition of mechanical room walls.

If you have any further questions regarding this bid, please address them to the representative listed below, via e-mail at purchasing.bids@co.galveston.tx.us, or contact the Purchasing Department at (409) 770-5371.
