PROJECT NAME: Landscape Loader
SOLICITATION NO: ITB #B241009
RE: ADDENDUM #1

To All Prospective Bidders:

The following information is being provided to aid in the preparation of your bid submittal(s):

Question #1: *I have a question referencing the weight of the tractor, is the weight consisting of Tractor, Loader and Front Counter Weights. May I inquire if this tractor would be pulling anything bigger than the rear mounted box blade. Also, the three function, 1 lever control I would assume will be three rear remotes for looking up a Batwing Mower.*

Response: The weight of the tractor can be combined with the standard counter weights. Not to exceed 900 LBS. A box blade is the heaviest attachment used on this tractor. The three (3) function rear controls are for a beach sanitizing attachment.

If you have any further questions regarding this bid, please address them to the representative listed below, via e-mail at purchasing.bids@co.galveston.tx.us, or contact the Purchasing Department at (409) 770-5371.
