RV or Mobile Home Park Acknowledgement

Date: _____

RV Park Acknowledgement:

I am applying for a permit to develop a RV park at _____ and I acknowledge and agree to the following:

If the property is in an A or V Flood Zone an electrical design, ie. float switch, shunt trip, GFCI and pedestal design will be required during the application process. Please indicate which one option you will be using by initialing one of the two options below:

- _____ RV electrical pedestals/outlets will be installed within 1' of the ground and will be designed to automatically shut off by being connected to GFCI breakers in the main breaker box.
- or**
- _____ RV electrical pedestals/outlets will be installed higher than 1' off the ground and will be designed to automatically shut off with a float switch disconnect or a shunt trip breaker in the main breaker box.

I acknowledge and agree to the following (initial each statement):

- _____ The lots in the RV park will not be subdivided or sold individually.
- _____ All RVs will be licensed and road ready at all times.
- _____ RVs will not stay in place for longer than 180 consecutive days.
- _____ A log will be kept of all RVs entering and leaving the park and will be made available to a Galveston County representative upon request.
- _____ I understand that a final inspection on the development must be completed prior to obtaining additional permits for any structures and/or development as defined in the floodplain regulations.

Mobile Home Park Acknowledgement:

I am applying for a permit to develop a mobile home park at _____ and I acknowledge and agree to the following (initial each statement):

- _____ The lots in the mobile home park will not be subdivided or sold individually.
- _____ This permit is for the development of the road, utilities and drainage only.
- _____ I understand that a final inspection on the park development must be completed prior to placing any mobile homes on the property. I further understand that each and every mobile home is required to have its own permit.
- _____ I understand that a final inspection on the park development must be complete prior to obtaining additional permits for any other structures.

Failure to comply with the Galveston County Floodplain Regulations could result in the cancellation of flood insurance, civil fines up to \$100.00 per day for each violation and a civil suit filed against the property owner.
