Sheriff Trochesset:

The Galveston County Auditor's Office has examined the financial records and administrative procedures related to the fees collected by the Sheriff's Office Tax Sale Division for the months of January 2024 through March 2024. The objectives of the examination were to (1) verify all proceeds from the tax sale were deposited in the bank and recorded accurately and completely in Odyssey and (2) all proceeds were distributed in accordance with Tax Code (TC) §34.02 Distribution of Proceeds and TC §34.06 Distribution of Proceeds of Resale. No errors were detected in the deposit and distribution of proceeds from the Sheriff's Office Tax Sale Division during the audit period.

Management of Collections

A bank reconciliation properly performed and adequately supported is one of the best methods of cash management available to any official. The reconciliation process identifies any discrepancies in the tax sale account and assists in preventing the misuse of funds. The bank reconciliation process compares the Odyssey payment report and check register to the bank statements. Any discrepancies are noted on the bank reconciliation as adjustments. Internal Audit reviewed the bank reconciliations for the audit period. No discrepancies were noted during the audit period.

This report will be submitted to Commissioners Court on April 29, 2024. Please contact Lori McWhirter, Internal Audit Manager, if you have any questions or comments regarding this report.

Sincerely,

Randall Rice CPA
