PROJECT NAME: Vehicle Collision and Body Repairs
SOLICITATION NO: ITB 24-013
RE: ADDENDUM #1

To All Prospective Bidders:

The following information is being provided to aid in preparation of your bid submittal(s):

Questions:

Question #1: *Are firetrucks (emergency apparatus) included in the vehicle types?*

Response: Firetrucks and ambulances are not included in the vehicle types for this bid. Galveston County does not own or operate these vehicle types.

Question #2: *It [the Special Provisions- Bidder Qualifications, page 7] states: Bidder must also have a valid Salvage License. This is typically not a license held by collision repair facilities. Therefore, we do not have a valid salvage license. Would this disqualify us? Usually this is a license for a salvage facility. When we purchase salvage parts, we only purchase from licensed salvage facilities. Thank you for the opportunity.*

Response: Please include this item and explanation on a separate sheet of paper, label it Exception to Bid Conditions, and include it with your submittal.

Question #3: *Am I able to break down the hourly rates further? Should that be submitted on a separate sheet with the "Line Item Sheet" or as an exception?*

Response: Please include this item and explanation on a separate sheet of paper, label it Exception to Bid Conditions, and include it with your submittal.
