Re: Consideration of Adopting the Fiscal Year 2018/2019 County Budget

As a result of sound fiscal leadership and the outstanding efforts of many throughout County government, Galveston County is a desired destination for residents, businesses and visitors. Galveston County is flourishing with opportunities because of a thriving petrochemical industry, workforce and economic development options, top-ranked universities and junior colleges, and a strong tourism industry. Galveston County is well positioned to meet community needs and our future challenges.

Our fundamental goal in developing this budget is to minimize the burden on County taxpayers by funding state and federally mandated programs and those discretionary services most beneficial to the community. The primary focus is the health, safety, and welfare of citizens and visitors to Galveston County.

### **Budget Highlights**

- **For the eighth year in a row, the ad valorem tax rate has been reduced below the effective rate.** The proposed ad valorem tax rate will decrease from the previous year's tax rate of \$0.551900 to \$0.531898. This represents a reduction in the tax rate of 0.020002. Since Fiscal Year 2011 the tax rate has been reduced a total of \$0.096852 per \$100 of assessed value (based on 2011 tax rate of \$0.62875). **This represents a 15.40% reduction over an eight year period.**
- The proposed ad valorem tax rate is \$0.028136 below the 2018 Effective Tax Rate of \$0.560034 and \$0.063029 below the 2018 Rollback Rate of \$0.594927 making this, by every definition, **a tax decrease for the taxpayers of Galveston County.**
- Property tax revenue is projected to be \$149.06 million in Fiscal Year 2018 which would be approximately \$1 million higher than the current fiscal year. This increase is attributable to new construction in Galveston County and a decrease in the tax rate. While population growth and development creates new demand for county government services, prudent management has allowed us

to achieve service efficiencies and limit the growth in service cost, which in turn enables real reductions in the tax rate.

- The number of full time equivalent positions for all funds has increased by a total of nine (9) positions for Fiscal Year 2019. Some of these positions are necessary for efficient implementation of changes in state law and may not be continued beyond a one or two year period.
- **The trend toward a smaller, higher paid staff continues**, with significant merit and market based salary increases this year throughout the government organization, and staffing levels remaining well below population growth.
- **Galveston County continues to add significant funds to its self-insurance reserves.** Each year we are better positioned to manage a natural disaster event. We also continue to move toward developing a self-insurance fund balance that may eventually enable the County to phase out some third-party casualty insurance, which would have a further positive impact on future budgets.
- The operating budget in Galveston County continues to be effectively managed to avoid short-term borrowing to fund operations during the fiscal year.
- Galveston County continues to fund capital needs with operating revenues avoiding the cost of additional long-term borrowing. **The principal balance of Galveston County's long-term debt continues to decrease at a significant rate.**
- The following is included in the Fiscal Year 2019 Budget:
  - ✓ Approximately \$298,000 for merit increases and position upgrades for numerous individuals in various other departments.
  - ✓ A raise of 2.5% which is effective in October and a one-time supplement payment of \$500 which will be issued in November 2018 for County employees
  - ✓ Continued county funding of the employee pension at the current rate of 200% of the employee's contribution.
  - ✓ Four new positions were added in the Sheriff's Department:
    - Investigator I – Criminal Investigations
    - Lieutenant - Corrections
    - Deputy V – Patrol
    - Sergeant I - Communications
  - ✓ One Administrative Coordinator position was added in the District Clerk's Office
  - ✓ Two new positions were added in the District Attorney's Office
    - Civil Paralegal
    - Felony Paralegal
  - ✓ One Deputy V position was added in Constable Precinct III

- ✓ Funding of an additional Bacliff Ambulance during Peak Hours
- ✓ The on-going upgrade to county facilities to ensure full accessibility for people with disabilities.
- ✓ Continued general fund support in the amount of \$2.5 million for indigent healthcare. The Federal Poverty Level remains at 100% for FY 2019.
- ✓ A total debt service budget of \$31.85 million.
- ✓ \$1.62 million for equipment and capital expenditures for Information Technology, Beach and Parks, Flood Control, Mosquito Control and Road and Bridge.
- ✓ In addition to the expenditure budget, approximately \$35,500,000 in budgeted reserves across all funds has been made available to fund unanticipated expenditures.

The County maintains an “AA+” rating from Fitch Ratings and an “Aaa” from Moody’s Investors Services, Inc. on its general-obligation debt with a Stable outlook.

The accompanying reports and summaries provide detailed information related to the Fiscal Year 2019 Budget.

Development of the annual budget is a team effort relying on the knowledge and expertise of individuals on all levels of County government and valuable input from the public.

I would like to thank Commissioners Court and the many fine public servants who put forth their very best effort to serve the Galveston County taxpayers throughout this budget process.

This Budget is hereby presented for adoption for Fiscal Year 2019.

Respectfully Submitted,

  - d. Note: Fiscal year 2019 budgeted expenditures should not exceed the estimated September 30, 2019 estimated fund balance.

6. Cash on hand to the credit of each fund, showing monies received and expended, at July 31, 2018

Funding projections for Internal Service Funds were made; funding for internal service funds comes from employee deductions, revenues allocated from governmental funds, operating revenues, and refunds.

Sincerely,

Randall Rice CPA

5730000	00	<b>Playground and Surfacing</b> We are requesting to replace the playground and surfacing in Walter Hall Park at the current south playground area. We recently had to remove one slide after severe cracking and potential for safety issues. We repeatedly put new kiddie kushion for a fall surface, but due to lack of drainage, the material gets washed away in even the slightest amount of rain. The only solution is to install a pour in place surfacing that meets correct requirements for playground fall surface.	New	185,000	185,000
5730000	01	<b>New Sand/Dirt Rodeo Arena</b> Due to the high volume of usage of the covered rodeo arena at Jack Brooks Park, we are requesting to bring in new dirt/sand mixture. This would improve the facility and make the riding better for all constituents.	New	28,000	28,000
5730000	02	<b>Maintenance of Rodeo Arena</b> This project works in conjunction with the request of new sand/dirt for the arena. This would involve removing 6" of existing footing material inside of arena. Stockpile footing material that is removed from rodeo arena on site to be used by others. Compact sub grade and check for soft areas or other areas that may need to be repaired. Import 6" of arena footing material called "Menke" footing material. Spread footing material and level with laser operated machine.	New	37,000	37,000

5730000	03	<b>Ballfield Improvements</b> Santa Fe Little League is requesting the County pay to regrade and level grass infields on 3 fields. Includes wing areas and 3 feet outside back arc of infield. The work would include cutting existing sod, haul off, grade new final grade material, and plant new sod. Materials would include red baseball clay, diamond pro Texas red regular infield conditioner, calcined clay conditioner. Labor and machinery to refresh two infields and prepare for play. Fields are currently not draining from rains and not graded and level. **The County currently has a user agreement with Santa Fe Little League. They pay per day for fields usage. Since the approval of the agreement in May 2016, Santa Fe Little League has paid the County \$5,321.	New	45,000	45,000
5730000	04	<b>Replace Parking Lot Lights</b> The current style and type of lights in Walter Hall park are obsolete and need to be replaced. The plan would be to take existing ones from the South side, using those to replace the ones on the North side that are damaged/missing, then place the new ones on the South side so they are all the same. LED equivalent bulbs will be a 70% cost savings in electricity as well as the life of the bulbs lasting longer, which saves the Department money on replacement bulbs and man hours. Also included in the price is one of our largest parking lots that is located by the North playground where there is currently no electricity fed to it, making the area dark. Walter Hall is our department's most heavily used park for special events, company/church picnics, user groups, commercial/fitness vending, as well as private events. On an average Walter Hall attributes \$68,519 of revenue to the County from these events. It has been 10+ years since any lighting upgrades have been made to the park.	New	98,000	98,000

On this the 4<sup>th</sup> day of June, 2018, the Commissioners' Court of Galveston County, Texas convened in a Commissioners Court meeting with the following members thereof present:

**Mark Henry, County Judge**  
**Darrell A. Apffel, Commissioner, Precinct No. 1**  
**Joe Giusti, Commissioner, Precinct No. 2**  
**Stephen D. Holmes, Commissioner, Precinct No. 3**  
**Kenneth Clark, Commissioner, Precinct No. 4; and**  
**Dwight D. Sullivan, County Clerk**

when the following proceedings, among others, were had, to-wit:

**An Order Granting Various Residence Homestead Exemptions From the 2018 Tax Levy Pursuant to V.T.C.A., Tax Code §11.13 and §11.131.**

**Whereas**, V.T.C.A., Tax Code §11.13 and §11.131 provides for the granting of various residence homestead exemptions. Through the years the Commissioners' Court of Galveston County has granted such exemptions; and

**Whereas**, the Court desires to continue to provide for such exemptions.

**It is Therefore Ordered** that the Commissioners' Court hereby exempts from its 2018 Tax Levy the first Sixty Thousand (\$60,000.00) Dollars of the assessed value of residence homestead of persons, married or unmarried, including those living alone, who are under disability for purposes of payment of disability insurance benefits under Federal Old-Age, Survivors, and Disability Insurance or its successor, as provided in Article 8, §1-b (b), Constitution of the State of Texas.

**It is Further Ordered** that the Commissioners' Court hereby exempts from such ad valorem taxes the first Sixty Thousand (\$60,000.00) Dollars of the assessed value of residence homestead of persons, married or unmarried, including those living alone who are sixty-five years of age or older, as provided in Article 8, §1-b(b), Constitution of the State of Texas.

**It is Further Ordered** that as provided in Article 8, §1-b(f) Constitution of the State of Texas and V.T.C.A., Tax Code §11.13(q), the surviving spouse of an individual who received an exemption under §1-b(b) for the residence homestead of a person sixty-five (65) years of age or older is entitled to an exemption for the same property in an amount equal to that of the exemption for which the deceased spouse qualified if the deceased spouse died in a year in which the deceased spouse qualified for the exemption, the surviving spouse was fifty-five (55) years of age or older when the deceased spouse died, and the property was the residence homestead of the surviving spouse when the deceased spouse died and remains the residence homestead of the surviving spouse. A person who receives an exemption under §1-b(b), Constitution of the State of Texas, is not entitled to an exemption under this paragraph. Also, an individual who receives an exemption

under V.T.C.A., Tax Code 11.13(d) is not entitled to an exemption under V.T.C.A., §11.13(q).

**It is Further Ordered** that as provided in Article 8, §1-b(b) Constitution of the State of Texas and V.T.C.A., Tax Code §11.13(h), an eligible disabled person who is sixty-five (65) years of age or older may not receive both the "disability" and the "over sixty-five" exemptions as immediately set forth above but may choose either the "disability" exemption or the "over sixty-five" exemption as his residence homestead exemption. Joint, community or successive owners may not each receive the same exemption for the same residence homestead in the same year. In addition, a person may not receive an exemption under V.T.C.A., Tax Code §11.13(h) for more than one residence homestead in the same year.

**It is Further Ordered** that as provided in V.T.C.A., Tax Code §11.13(l) a qualified residential structure does not lose its character as a residence homestead when the owner who qualifies for the exemption temporarily stops occupying it as a principal residence if the owner otherwise complies with the conditions set forth in this section.

**It is Further Ordered** that Galveston County hereby exempts the first Three Thousand (\$3,000.00) Dollars of the assessed value on the residential homestead from its Farm to Market Lateral Road and Flood Tax Levy as provided in Article 8, §1-a of the Constitution of the State of Texas. As provided for in V.T.C.A., Tax Code §11.13(g), an individual may not receive the "Farm to Market" exemption in addition to the "over sixty-five" or "disability" exemption but is entitled to take only the "over sixty-five" or "disability" exemption.

**It is Further Ordered** that in addition to all other applicable exemptions that Galveston County hereby exempts from all its ad valorem taxes the greater of \$5,000.00 or twenty percent (20%) of the assessed value of the residence homestead of a married or unmarried adult, including one living alone, as provided in Article 8, §1-b(e), Constitution of the State of Texas and V.T.C.A., Tax Code §11.13(n).

**It is Further Ordered** that pursuant to Tax Code §11.131 a disabled veteran who receives from the United States Department of Veterans Affairs or its successor 100 percent disability compensation due to a service-connected disability and a rating of 100 percent disabled or of individual unemployability is entitled to an exemption from taxation of the total appraised value of the veteran's residence homestead.

**It is Further Ordered** that the surviving spouse of a disabled veteran who qualified for an exemption under the guidelines adopted in the preceding paragraph when the disabled veteran died is entitled to an exemption from taxation of the total appraised value of the same property to which the disabled veteran's exemption applied if:

- (1) the surviving spouse has not remarried since the death of the disabled veteran;  
and
- (2) the property:
  - (a) was the residence homestead of the surviving spouse when the disabled veteran died; and

(b) remains the residence homestead of the surviving spouse.

**It is Further Ordered** that if a surviving spouse who qualifies for an exemption under the immediately preceding paragraph subsequently qualifies a different property as the surviving spouse's residence homestead, the surviving spouse is entitled to an exemption from taxation of the subsequently qualified homestead in an amount equal to the dollar amount of the exemption from taxation of the former homestead under the immediately preceding paragraph in the last year in which the surviving spouse received an exemption under that subsection for that homestead if the surviving spouse has not remarried since the death of the disabled veteran. The surviving spouse is entitled to receive from the chief appraiser of the appraisal district in which the former residence homestead was located a written certificate providing the information necessary to determine the amount of the exemption to which the surviving spouse is entitled on the subsequently qualified homestead.

**Upon Motion Duly Made and Seconded**, the above foregoing Orders are hereby passed by Commissioners' Court meeting on this the 4<sup>th</sup> day of June, 2018.

**GENERAL INFORMATION:** Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the effective tax rate and rollback tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll and the estimated values of properties under protest.

School districts do not use this form, but instead use Comptroller Form 50-859 Tax Rate Calculation Worksheet for School Districts.

Water districts as defined under Water Code Section 49.001(1) do not use this form, but instead use Comptroller Form 50-858 Water District Rollback Tax Rate Worksheet.

This worksheet is provided to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

<b>SECTION 1: Effective Tax Rate (No New Taxes)</b>	
The effective tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the effective tax rate should decrease.	
The effective tax rate for a county is the sum of the effective tax rates calculated for each type of tax the county levies.	
<b>Effective Tax Rate Activity</b>	<b>Amount/Rate</b>
<b>1. 2017 total taxable value.</b> Enter the amount of 2017 taxable value on the 2017 tax roll today. Include any adjustments since last year's certification; exclude Tax Code Section 25.25(d) one-third over-appraisal corrections from these adjustments. **SECTION 2: Rollback Tax Rate**

The rollback tax rate is split into two separate rates:

1. **Maintenance and Operations (M&O):** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus eight percent. This rate accounts for such things as salaries, utilities and day-to-day operations.
2. **Debt:** The debt tax rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The rollback tax rate for a county is the sum of the rollback tax rates calculated for each type of tax the county levies. In most cases the rollback tax rate exceeds the effective tax rate, but occasionally decreases in a taxing unit's debt service will cause the effective tax rate to be higher than the rollback tax rate.

The effective tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the effective tax rate should decrease.

The effective tax rate for a county is the sum of the effective tax rates calculated for each type of tax the county levies.

**SECTION 2: Rollback Tax Rate (Farm to Market/Flood Control Fund)**

The rollback tax rate is split into two separate rates:

1. **Maintenance and Operations (M&O):** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus eight percent. This rate accounts for such things as salaries, utilities and day-to-day operations.
2. **Debt:** The debt tax rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The rollback tax rate for a county is the sum of the rollback tax rates calculated for each type of tax the county levies. In most cases the rollback tax rate exceeds the effective tax rate, but occasionally decreases in a taxing unit's debt service will cause the effective tax rate to be higher than the rollback tax rate.

If approved, the taxing unit must reduce its effective and rollback tax rates to offset the expected sales tax revenue.

This section should only be completed by a county, city or hospital district that is required to adjust its effective tax rate and/or rollback tax rate because it adopted the additional sales tax.

This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements.
