### 2178 S.F.S.T. Practitioner Update (8 hrs) CANCELED

**Description:**This course is intended for Texas Peace Officers that find themselves investigating DWI's and other impaired driving offenses. DWI investigations are complex investigations needing a very special attention to detail. This course is designed to educate the student on the importance of conducting a thorough investigation and what steps are needed to conduct the investigation. This course will explain the DWI arrest starting with the traffic stop and go through the trial. This course will cover the SFST Update using the 2018 NHTSA SFST Manual. The students shall demonstrate their knowledge of this training by participating in a controlled alcohol lab using volunteers dosed with alcohol. The student will be required to demonstrate SFST Proficiency during the controlled alcohol lab. The student must also pass a written exam. The goal of this course is to increase the effectiveness of DWI investigations and subsequent prosecution of the DWI offense in an effort to reduce the number of crashes, deaths, and injuries caused by intoxicated drivers.
