

TRUTH IN TAXATION FIVE YEAR SUMMARY - GALVESTON COUNTY

As Required by Texas Property Tax Code Section 26.16

Galveston County is providing this table of property tax rate information as a service to the residents of the county. Each individual taxing unit is responsible for calculating the property tax rates listed in this table pertaining to that taxing unit and providing it to the County.

The **adopted tax rate** is the tax rate adopted by the governing body of each taxing unit.

The **maintenance and operations (M&O) rate** is the component of the adopted tax rate of a taxing unit that will impose the amount of taxes needed to fund maintenance and operation expenditures of the taxing unit for the following (current) year.

The **debt rate** is the component of the adopted tax rate that will impose the amount of taxes needed to fund the taxing unit's debt service for the following year.

The **no new revenue rate (NNR)** is the tax rate that would generate the same amount of revenue in the current tax year as was generated by the tax rate in the preceeding tax year from property that is taxable in both the current and preceding tax year.

The **no new revenue maintenance and operations rate (NNR M&O)** is the tax rate that would generate the same amount of revenue for maintenance and operations in the current tax year as was generated by a taxing unit's M&O rate in the preceding tax year from property that is taxable in both the current and preceding tax year.

The **voter approval rate (VAR)** is the highest tax rate a taxing unit may adopt before requiring voter approval at an election. An election will automatically be held if the taxing unit wishes to adopt a tax rate in excess of the taxing unit's voter approval rate. This applies to nearly every taxing unit but there are exceptions. For school districts the VAR includes a 2.5% increase in revenue before an automatic election and for most other governments a 3.5% increase.
