PROJECT NAME: Heavy Equipment Rental

SOLICITATION NO: B202014

RE: ADDENDUM #1

To All Prospective Bidders:

The following information is being provided to aid in preparation of your bid submittal(s):

Question #1: Will there be any lead time when requesting equipment?

Response: It is requested that the proposer give a description of their lead time, average time, longest wait, etc.

Question #2: Must we bid on every item listed in the equipment section or can we "no bid" items that are not in our fleet. If we "no bid" items, will our bid be considered non-responsive?

Response: The County will review all bids included those with "no-bid" line items due to fleet availability. The Commissioners' Court can make the award to all line items or separate line items, whatever is in the best interest of the County.

Question #3: Will multiple vendors be selected in case of availability issues?

Response: The Commissioners' Court can make the award to a single vendor or multiple vendors, whatever is in the best interest of the County.

Question #4: Are we required to provide pricing on all equipment, or just the units that we regularly stock in our inventory? We are trying to determine whether this is a "all or nothing" type of bid.

Response: Please refer to the response to question #2.

As a reminder, all questions regarding this bid must be submitted in writing to:
