PROJECT NAME: Portable Toilet Service – Port Bolivar Peninsula

SOLICITATION NO: B202016

RE: ADDENDUM #1

To All Prospective Bidders:

The following information is being provided to aid in preparation of your bid submittal(s):

Question #1: *I want to clarify how to read the Line Item Detail Sheet. On page 43, Line Item 001 is listed as "September & October – Beach Access Units ADA (19) Serviced 3x Week Sunday, Tuesday & Friday, with a quantity of 2. Do you want the Unit Price to be the monthly charge for all 19 units with 3x/week service (not just one unit)? The quantity 2 is because the line is for 2 separate months?*

Response: Yes. The unit price is for a one (1) month charge rate for all 19 units/3x week. The quantity would be for two (2) separate months.

The math would be Unit Price (19 units x three (3) times service per week (one month)) x Quantity (two (2) months (September and October)) = total to enter into the extended price column. Please disregard the *catalog #* column.
