PROJECT NAME: Desktop Refresh Project

BID NO: B181041

RE: ADDENDUM #1

To All Prospective Bidders,

The following information is being provided to aid in preparation of your bid submittal(s):

Question #1: *We were wondering if you were open to other MFG such as Lenovo HP and MSI.*

Response: The intent of the solicitation is to acquire the items as specified in the solicitation document. The County *may* review other solicited items if listed on separate sheets of paper and identified as Exceptions to Bid Conditions as mentioned in the General Provision section.

Question #2: *We are writing you to gain written permission per the Desktop refresh project to submit a bid proposal substituting out the Dell configurations with equivalent HP products. We will still be responding with the Dell configurations as specified in the RFP. But would also ask if we can have approval to submit an additional proposal with the equivalent HP products for the county to review. We believe that by doing this it will give Galveston County the best options from this solicitation to be able to also compare equal products across different manufactures.*

Response: See response to Question #1.

As a reminder, all questions regarding this proposal must be submitted in writing to:
