## Notice of Public Hearing on Tax Rate

The Galveston County Drainage District No. 2 will hold a public hearing on a proposed tax rate for the tax year 2021 on September 15, 2021 at 3:55 PM at 5000 FM 1765, La Marque, Texas 77568. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the tax rate that is adopted and on the change in the taxable value of your property in relation to the change in taxable value of all other property. The change in the taxable value of your property in relation to the change in the taxable value of all other property determines the distribution of the tax burden among all property owners.

For the proposal:                      Michael Macik                                      Jack Ellison
